Subject: Hi Judy! From Alex's mom :)

Judy,

Thank you so much for the wonderful lessons you gave our children. One never forgets their first music teacher. I am just tickled to pieces Alex's first teacher was so positive, patient, and fun. He'll remember you for the rest of his life and I am glad you have imprinted such an upbeat impression on how joyful music can be. He's so excited about guitar and so proud of himself for being able to play an instrument.
